

Declaration of Conformity

Interface, Inc. declares that the following Intrinsically Safe, internally amplified load cells with 4-20 mA output:

conform to the following harmonized standards when installed and maintained per the manufacturer's instructions in the Installation Manual 15-131.

94/9/EC	ATEX
2004/108/EC	Electromagnetic Compatibility (EMC)
EN 61000-4-2:1995	Electrostatic Discharge
EN 61000-4-3:2002	Radiated Radio-Frequency Electromagnetic Field
EN 60079-0:2009	Electrical Apparatus for explosive gas atmospheres
EN 60079-11:2012	Electrical Apparatus for potentially explosive atmospheres, IS

Equipment code:

 **II 2 G Ex ib IIC T4** (-40°C to 93°C ambient)

EC-type-examination Certificate: **PTB 06 ATEX 2012**

Notified Body: Physikalisch-Technische Bundesanstalt, 38116 Braunschweig, Germany
(PTB Identification number 0102)

Reference EMC test report: D0570021

Reference ATEX report: PTB Ex 15-25057

Date May 15, 2015
